Walking for Pentyrch Village Hall

The appeal to provide a new car park at Pentyrch Village Hall has been very active during the last two months. On the May day Bank Holiday Gareth and Diane Follis carried out a sponsored walk from Cardiff Bay to Pentyrch. The walk was a repeat of the walk that Gareth's father, Norman Follis, did when funds were being raised to build the hall 30 years ago.

This time Gareth and Diane were joined by their niece and Eric and Chris Priday (with Lucy). A buffet was given by Jeff Greenman at the Lewis' to welcome them home. The final amount raised is around £1,500.

In this edition of the Community Link we also take the opportunity to thank Gareth and Diane for their services to Pentyrch as newsagents for over 20 years.

FUNDRAISERS NEEDED! PARISH HALL CREIGIAU

It is now nine months since we heard we had been unsuccessful in our bid for Heritage Lottery Funding and the money we as a community had raised for partnership funding must now be spent very prudently on repairs and restoration work.

The Hall has been re wired and essential work has been carried out on the drains. Radiator covers and polycarbon window guards have been fitted to comply with Health and Safety regulations. An access audit has been carried out to comply with the Disability Discrimination Act.

During the summer holidays work will commence on the roof and gutterings and if no major problems are uncovered during this work, we will have sufficient money to re render the exterior and paint the outside of the Hall prior to the onset of winter.

However our pot of money will then be severely depleted and we have insufficient funds to restore the interior and carry out the alterations needed to comply to the Disability Access Audit

We are a small group of eager volunteers who meet approximately 3 to 6 weekly to fill in forms for grants and arrange various fundraising events. Over the last year we have had concerts, quizzes, a Beetle Drive, Autumn Fayres, regular Coffee mornings, Strawberry teas, Carol singing, BBQs, Grand raffles, Mile of Pennies and much more.

We would like to welcome new members to this group from the community with fresh ideas and enthusiasm. Many different groups of people use the Parish Hall Creigiau from Mothers and Toddlers to Creigiau Companions, from Youth Clubs, Brownies, Guides, WI to Sunday Worship. It is our Polling Station and our Blood Transfusion Centre and we want this hall to be pleasant for you all to use.

If you or one of your family has used the Hall and would like to help

INCONSIDERATE PARKING

The Senior Road Safety Officer for Cardiff City Council has recently commented on the inconsiderate / illegal parking outside Creigiau Primary School during the morning and afternoons. In an effort to raise parent's awareness the council are going to place new road markings and will consider altering the design to deter bad parking. The police and traffic wardens will also be periodically in attendance and some enforcement action in relation to issuing fixed penalties notices may be necessary.

Pentyrch Over-60 Club

At the Club's AGM on the 28th April, our long-serving and hard-working treasurer - Mrs. Claris Phillips - declared her decision to hang up her abacus for good and hand over stewardship of the Club's finances to Mrs. Irene Ekless. The Club presented Claris with a cut-glass vase; a bouquet of flowers; and a card expressing its sincere thanks for her invaluable services.

An earlier talk by Dr. T. Anderton, entitled "From the back of a £20 note", turned out to be an enthralling history of Llewellyn, first Prince of Wales, and the trials and tribulations that befell his family.

At a later date, Mrs. Glenys Evans described her progressive addiction over many years to the art of quilting; and displayed a number of beautiful results of her work - a measure of the standard of which may be judged by the fact that one was recently valued at over £1000.

The programme for our last meeting was supposed to have been a somewhat mundane quiz; but under the able stewardship of Mrs. Janet Jones turned into a hilarious occasion.

Patricia Peakman.

BURGLARIES

Crime levels are falling in most places, the risk of becoming a victim is at its lowest for twenty years. Research suggests that one of the most feared crimes is burglary. During the last three months there has been an increase in the number of burglaries particular in the Pentyrch area. The burglar gained access to many of the properties via insecure doors or windows. In order to combat this alarming trend plain clothes officers from the criminal intelligence department were tasked with patrolling the villages at night and ultimately as a result of a continued intensive surveillance operation the burglar was apprehended. The burglar admitted and was charged with numerous offences through out the South Wales Area - this burglar is currently in prison. What becomes apparent whilst investigating burglaries is the number of burglars who comment how easy it is to gain entry to houses. On occasions the burglar may even state that they will enter a house via an unlocked rear door whilst the occupiers sitting in the front lounge engrossed in a television programme. The burglar will search most rooms' upstairs removing property, the occupiers are often unaware that they have been subjected to a burglary and assume they have simply mislaid their wallet or purse.

Simple crime prevention measures should be adopted to prevent crime occurring. Statistics show that properties with little security are 15 times more likely to be burgled than those with good security. A common sense approach to crime prevention should be adopted, residents should lock all front and back doors with mortise locks even if they are in the house and ensure key operated locks are fitted to all windows.

During the summer months garden equipment, bicycles and patio heaters / furniture are more likely to be stolen, it is alleged that 80% of recorded crime is committed by what is termed as an opportunist criminal. Some insurance companies are now refusing to reimburse the

Pentyrch Open Gardens have started preparing its sixth annual event, involving more than 100 volunteers in the community and working together to raise funds for our community projects.

Almost £20,000 has been raised since the event started in 2000 with donations being given to many local organisations needing support.

The Annual Plant Sale in the beginning of May was a success. The event raised approximately £1,000 during its 2 hours. Traditional annuals and perennials brought up from seed and donated from gardens around Pentyrch were on display together with new exciting plants, shrubs and even trees.

The History of Horeb

(based on a report by Reverend J.E. Wynne Davies, BA., BD)

The Methodist revival in Wales began in 1758 as a result of the conversion of two men, Howel Harris, a layman of Trefeca in Breconshire and Daniel Rowland, the curate of Langeitho in Cardiganshire. In 1737 they met and soon their evangelical message was to bring into being fellowships throughout the counties of South Wales. These fellowships brought into being meeting houses built to allow the converts to come together within the Anglican Church until 1811 when by an act of ordination the Welsh Calvinistic Methodist Church or Presbyterian Church of Wales came into being.

Howel Harris visited the parish of Gelligaer as early as 1737 and was in the area on several occasions during the following years. On 10th April 1740 he visited Pentyrch for the first time and as a result of several visits which he subsequently made, a society was formed. The societies were supervised Thomas Williams, Eglwysilan, who was the Superintendent for the district and the fellowship of Pentyrch was placed under the care of an exhorter, Thomas Lewis. Pentyrch was, therefore, one of the earliest Methodist causes in Glamorganshire.

The fellowship met at Bryste Fach but in 1838 a new chapel was built on a spot called the Twyn Penygarn about a quarter of a mile away. At the opening service the Reverends William Evans, Tonyrefail, John James, Bridgend and David Howells, Swansea were the preachers. According to the 1851 census the building could hold 290 and 120 members and 85 scholars were present at the morning service, 118 at the afternoon meeting and 50 in the evening. As a result of the 1859 revival the membership increased and in 1862 the present building was erected. The opening services held on 13th and 14th April 1863 being conducted by the Reverends David Charles, Trefeca,

Thomas Lewis, Aberystwyth, David Phillips, Maesteg and William Evans the silver trumpet of Tonyrefail. In 1859 a new schoolroom was erected at a total cost of £300.

Initially it had been a Welsh Cause but in 1959 it was decided to hold the evening service in English and in 1971 the church was transferred to Glamorgan East Presbytery. In 1884 the membership reached 100 but the congregation numbered around 350. In 1885, however, the Pentyrch works closed permanently and many moved from the area. The membership has never been large and although there was an increase as a result of the 1904 – 5 revival, the twentieth century has seen a gradual decline, around 70 in 1930, 50 – 60 in the mid century and today, there are only twelve.

Epilogue – 2005 AD

Sadly the history of Horeb has come to an end, this house of worship which has stood like a beacon on the top of the hill. The Old Testament regards Horeb, also known as Mount Sinai, as the sacred mountain on which Moses received the Ten Commandments from God.

The faithful few have struggled to keep the doors open, not only for worship, but for other village activities. Unfortunately the building is very old and just as one major structural problem was completed something else would go wrong. Alas time and finance have run out and in The Year of our Lord 2005 this grand old House of Worship closed its doors.

CLWB CRICED CREIGIAU CRICKET CLUB

The 2005 season is now well under way with senior teams playing in Conference Division 2 (1st XI), Conference Division 3 (2nd XI), Sunday 3rd XI League and Vale of Glamorgan Mid Week League. Hilltop Theatre Company

Following the highly entertaining and intense court room drama Beyond Reasonable Doubt by Jeffrey Archer, Hilltop's next production is The Darling Buds of May by H.E.Bates.

We all remember the highly successful television series starring David Jason, Pam Ferris and Catherine Zeta Jones. This stage play takes us back to the 1950's, Britain is still recovering from the after effects of the war and everyone is having to make economies. The Brigadier has to carry out duties formerly done by his batmen (whom he has had to discharge), Sir George and Lady Bluff-Gore have moved out of their manor house and are now living in a converted cow shed on their estate.

The only people who are unaffected by this post war austerity are the loveable, irrepressible Larkin family. Pop Larkin makes a fortune from a variety of deals and has never paid income tax. He lives in rural bliss with generous-hearted Ma and their six children. When a young and eager tax official (Mr.Charlton) turns up one hot May afternoon and insists Pop fills in his tax return, Pop's game is up - or is it?

Whether it's Pop's generous cocktails or the charms of eldest daughter Mariette, Mr. Charlton is soon beguiled by the Larkin family and their idyllic lifestyle.

Add to this Pop allowing his meadow to be used for the annual gymkhana, Mr. Charlton's boss turning up at the Larkin house and you have all the ingredients for a night of mayhem and laughter. Indeed a "Perfick" nights' entertainment.

This production is being performed for three nights only:-

CREIGIAU COMPANIONS

So far 2005 has proved a happy time for the Companions. We have some new members and talks have been interesting and entertaining. In February we learnt how many of the fairy stories we were told as children came into being. At another meeting a television make-up artist explained how an actor can be made to age during a performance and gave us an insight to other fascinating tricks of the trade. We have also learnt how the Royal Mint operates, and on another occasion a well known gardener treated us to slides of many beautiful and prize winning gardens in South Wales.

The meetings too, are good social afternoons when friendships are renewed and fostered. Many of our members support the Coffee Mornings in the Church Hall and these activities do help to encourage a sense of community and belonging. This can be particularly rewarding for newcomers to Creigiau who can be assured of a warm welcome at these events.

This year our Summer Outing will be a trip on the Brecon Railway preceded by lunch in a Merthyr Hotel. The following meeting will be a cream tea, always appreciated by our members, and we finish up this session at the end of July with a musical afternoon.

The meetings are held on alternate Thursday afternoons at 2.15p.m. in Creigiau Church Hall. Already an interesting programme is being arranged for the Autumn. If you need any more information please ring our Secretary Marjorie Richards, on 02920890685. She will be looking forward to your calls!

GWAELOD Y GARTH POST OFFICE

The post office is open at the Village Hall on Tuesdays and Fridays 9 am - 1 pm. The service will also be able to tax cars.

Thanks to Pentyrch Newsagents

Since 1984 the Follis family have been running our local newsagent. Of course newsagent does not do the shop justice as it has also had a coffee shop, video rental and bakery to pick out a few examples. Gareth and Diane are now selling the shop. As many readers will be aware the contributions made by the Follis family to Pentyrch stretch well beyond what they have done with the shop, however it is the shop I would like to focus on for a few moments.

I was fortunate enough to work in the shop while I was at university and every employee I've heard talk of the shop does so in fond terms. When I went into buy a newspaper recently I was served by Alex doing the same early morning job I had a couple of years ago, she had been a papergirl when I was working there. This is typical of a business that has seen youngsters start as paperboys and girls and often go on to work in the shop itself. Often not only one person has followed that route but so have brothers and sisters. It speaks volumes that people stay so long working for the shop and that their younger siblings often take jobs there too. Far beyond being the first paid job, working in such a pleasant atmosphere has contributed to the development of good social skills for many local teenagers.

I would like to thank the Follis family for their contribution to Pentyrch. It is no small feat to successfully run a business for over 20 years while continually offering a good service to the public and having such a great atmosphere among your staff. Best wishes for the future.

PLAN FOR THE PLANET

June 5th 2005 was World Environment Day, 'Plan for the Planet' is this year's slogan. Creigiau Skips will ensure that we will be making our contribution, however small on a global scale by recycling for the future of our environment.

In November 2004 Creigiau Skips was formed by my husband Bruce Howell and myself. My husband was born and brought up in Creigiau, and I have lived in Creigiau for 23 years, our home is in the village.

We work closely with environmental agencies and recycle all waste to comply with European Union directives, including paper, plastics, glass, metals and wood. We are committed to the future of our environment and we recycle our waste in order to reduce the amount of waste being disposed

of in Landfill. We do not see landfill as an option to the way forward for managing waste.

There were many events planned for World Environment Day, including encouraging individuals and businesses to make pledges to help the environment by making small changes in their behaviour. Since starting our business in November 2004, as a gesture of goodwill to the local community, we have been providing a weekly litter pick up along Heol Pant Y Gored, including the area outside the recreation field. In the first two weeks, we picked up a tonne bag of litter. We will collect any litter we find. If you feel that we are in anyway responsible for the debris between our litter pick ups, please do not hesitate to contact us, as it will be dealt with immediately.

As a way of continuing our support for our local community and environment, in addition to our weekly litter pick up we will be providing a complimentary skip to be used at the Creigiau Carnival. We have also assisted our local school with materials for their ongoing gardening projects, along with forging links with our local schools' eco committee to promote recycling in the community through education.

At Creigiau Skips, we are endeavouring to ensure that we contribute to Cardiff being a 'Green City' as EVERY RECYCLED SKIP COUNTS.

For further information or Skip Hire please telephone 029 20892685.

AROMATHERAPY – NATURE’S GIFT!

Aromatherapy literally translated means a treatment using scents. These scents are derived from Nature herself by extracting the scented oils from flowers, herbs, plants, shrubs, trees and roots. The oils, known as essential oils, have many healing properties and are usually used in conjunction with a relaxing massage to alleviate problems of a physical, mental, spiritual or emotional origin.

The use of aromatic oils and plants goes back thousands of years but it wasn't until the 1920s that the term Aromatherapy was coined by a French chemist, René Gattefossé. Aromatherapy was then introduced to Britain during the 1950s.

Today, Aromatherapy is considered as an holistic treatment. This means that not just the presenting physical “problem” is addressed but rather the whole person is considered. So a visit to a good Aromatherapist means that a detailed consultation will be taken which includes assessing whether you will have any contra-indications to the treatment and looking at your lifestyle. Following this confidential consultation the Aromatherapist will help you choose essential oils that are best suited to address your particular problem.

Massage with essential oils individually blended to suit each person can help restore balance and harmony and can be effective for a wide range of conditions including stress related illnesses, general aches and pains, headaches, migraines, digestive, menstrual and circulatory problems.

So next time you peel an orange, rub a sprig of lavender between your fingers or walk through a rose garden, remember that what you're smelling is essential oils and take a little time to reflect just how remarkable those essential oils are!

The thermometer on the Hall wall shows £35,000 has been raised **BUT YOUR HELP** is still needed to raise money - if you have any time available, please phone me.

A favours auction, quiz, a concert by Octave are being arranged for the autumn with an offer of a concert by Cantorian Creigiau (date to be confirmed). Bodies are needed to help run the functions - it's rewarding but tiring to organise a fundraiser every two weeks.

Applications are ongoing to Trust Funds and the Lottery for the money. Decisions are expected by the end of June when it is hoped to give the go-ahead to the contractors for the project to begin.

The money collected so far includes donations from village organisations such as the Pentyrch Art Group and Clwb y Dwrllyn; from charities such as the BT Honey-pot Fund; from companies like Western Electric and GE Healthcare - as well as Cardiff County and Pentyrch Community Councils. Many other organisations and individuals have also given generously - a full list will be published on completion of the project. The following events were also very successful.

Follis' Walk: this was a repeat of 30 years ago when Gareth's father, Norman, completed a sponsored walk as the final push to start building the hall. This time Gareth and Diane were joined by their niece and Eric and Chris Priday (with Lucy). A buffet was given by Jeff Greenman at the Lewis' to welcome them home. The final amount raised is not clear but is expected to be around £1,500 (if you still owe money please give it in at the shop).

Bucket Collection: during the weekend of 14th/15th May all the houses in the village were approached and over £1,300 raised. If any of the volunteers missed you, or you were away, then your donation will still be very gratefully received.

An Ascot themed **Horse Racing** night was held on June 17th.

Farewells and Welcome

Pentyrch Village Hall Committee

Judith Smith has resigned as secretary of the Pentyrch Village Hall trustee committee after 14 years. She has been a stalwart and trustworthy member officer while also serving as a keyholder. Judith will be greatly missed but will continue to support the hall as before. The committee welcomes Tessa Hartog as the new Secretary.

Ronnie Mowbray has taken retirement as caretaker and Booking Secretary after joining the committee in 1992. He has been the public face of the Hall for that length of time. Ronnie has been the Caretaker since 1997 and the hall is a testament to his hard work and care.

any way is too long to list here but I thank you all most sincerely.

A number of people have asked why the project is so expensive - the answer is in the soil! Most of the expense is due to the landscaping and drainage needed before the covering is begun. The land has never been properly drained (hence the dreadful ponds of water when it rains). If it is not done properly now, any hard topping will only make matters worse. The plans are available for all to see, and ideas welcomed on how to enhance the finished product to the benefit of hall users.

The new Booking Secretary is Irene Dow (029 2089 0987) taking up the post in early June.

The committee acknowledges the dedication shown by both Judith and Ronnie and wish them well in their retirement.

Chartered physiotherapy for horses and dogs

The first Chartered Physiotherapy service for animals in Wales was set up in late 2003 by Naomi Smith Graduating from Nottingham University in 1996 and following intensive post graduate training to specialise, she has extensive experience as a chartered physiotherapist treating people and horses; having worked in Wales, England, Australia and the USA. Initially based in Dinas Powys, she now works from Pentyrch and therefore offers a very exciting specialist local service to those in the area - as well as outside of it.

Physiotherapy offers safe, effective, hands on techniques including manipulation, mobilisation, stretches and massage, in addition to electrotherapies such as muscle stimulation and ultrasound. The treatment given always depends on the nature and cause of the problems found and the approach is very much a holistic one, taking into consideration the joints, ligaments, muscles, tendons and conformation.

The approach from a chartered animal physiotherapist is very much a team one - as you would expect if you went to seek treatment for yourself. We work with and are recommended by vets in the area, and know that the rider, instructor, farrier, equine dentist and the saddle fitter all form part of the team.

With regard to horses the rider, tack and work expected must also be borne in mind (regardless of whether we are dealing with an elite competition horse or family hack.) Horses do their job better when they are comfortable, as would we. Some signs of a possible problem can be: bucking, rearing, stiffness, problems on transitions from one pace to another, or suddenly refusing fences. In addition to the equine work as described above, Naomi also works with dogs. This includes a small animal clinic which takes place at

Pentyrch Playgroup

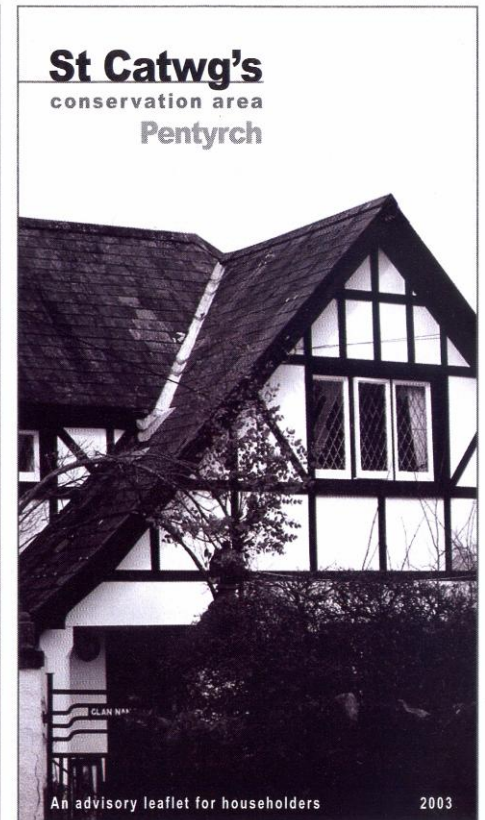

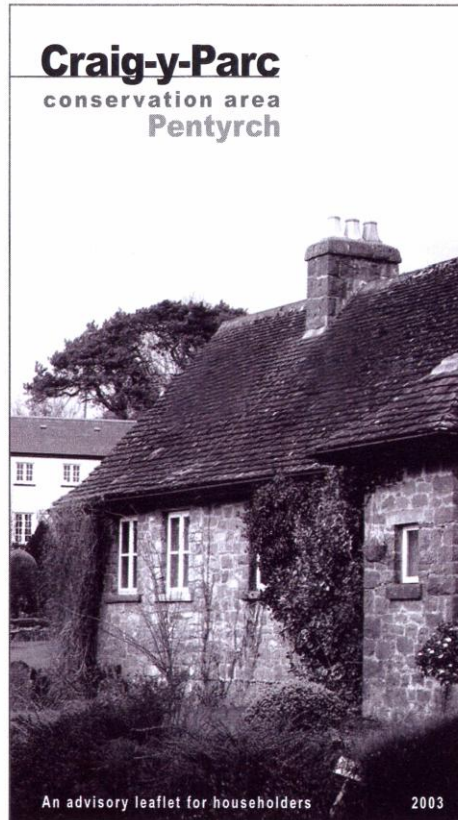

Pentyrch Playgroup will be opening its doors in September under new management. After 3 years Helen Morris has passed over the running and ownership to Julie-Ann Wright a local businesswoman in the village.

Julie-Ann already owns Cwrt Rawlin Out of Schools Club in Caerphilly, Fun Station holiday play scheme and Little Cherubs Day Nursery in Whitchurch. Julie-Ann's knowledge and expertise will enable her and the staff of the playgroup to run a fun, stimulating and educational setting. There will be new and old faces working in the nursery to ensure the children's individual needs are met. Staff will be working towards learning through play and a hands on curriculum ensuring all the developmental areas are supported. We also support learning through the medium of Welsh language and will be encouraging this in the new curriculum.

Laura Hayman who is qualified to a level 4 in Child Care with 10 years of experience will be managing the nursery in September. Laura currently runs Little Cherubs and has built up a good reputation in childcare over the last 2 years. We will be developing a holiday play scheme, after school club and inset day care servicing the local community in the near future. We will keep you updated on this as developments happen.

If you are interested in a place for your child at Pentyrch Playgroup or have any queries please contact Laura on 029 2052 1007.

Conservation Areas

There are three Conservation Areas in Pentyrch and Gwaelod y Garth where special planning controls apply.

Conservation area status means that the County Council possesses a number of statutory powers to safeguard against some changes. These are special planning controls which relate to specific works which would normally be considered Permitted Development i.e. works which would not normally require planning consent. These include changes to wall surfaces, satellite dishes, demolition of buildings and roof extensions.

There is also design guidance to help preserve and enhance the character of conservation areas.

The area in Gwaelod y Garth covers the whole village north of Grangetown and Nant y Garth.

The Craig-y-Parc area in Pentyrch includes Craig y Parc school and the houses on Heol y Parc up to Trewen and Llyswen.

The St Catwg area includes the area around the Church and the houses on Church Road from Greenhurst to Foxfield and Penuel road to Cefn Llan.

These three areas are of architectural and historical importance and the planning controls help to retain their character.

Leaflets on the conservation areas prepared by Cardiff County Council are available from the Clerk of the Community Council.

Do You Want Traffic Calming for Pentyrch?

Cardiff County Council are planning to install traffic calming speed bumps on Heol y Pentre, Heol Goch, Lon y Fro and Bronllwyn and to introduce a 20mph speed limit. Consultation has been undertaken by the County to residents living on these roads.

The Community Council support the initiative but have been made aware of a petition that has been circulated requesting further information and consultation is undertaken before any measures are implemented. The safety of our residents and particularly our children is of paramount importance. The village needs traffic calming now before an accident happens.

If you support this initiative please write to the Community Council or Mr S Vincent, Cardiff County Council, Traffic and Transportation, County Hall, Cardiff, CF10 4UW.

The Community Council has decided to ask the County Council to hold a joint public meeting to discuss the proposals.

Skateboard Park

The Community Council and Cardiff County Council have been working together to provide a skateboard park within the Recreation ground in Creigiau. Plans are now starting to come together and work should commence within the next two weeks and the park up and running for the school holidays.

Hanging Baskets

Hanging Baskets have once again been provided by the Community Council for the villages. There are two at Gwaelod y Garth Village Hall, two at Creigiau Church Hall and five at Pentyrch Shopping precinct. With the help of shopkeepers and residents these are kept watered through the summer.

New Community Maintenance Officer

The Community Council has appointed a new Community Maintenance officer who may be familiar to many Creigiau residents. Mr Duncan Jones has been a resident of Creigiau all his life. Being a farmer's son he knows the area very well and the needs of our rural communities. Duncan will share the job with the existing Community Maintenance officer, Mr Colin Davies. Welcome aboard Duncan.

Dog Fouling - Please clean up and take home.

A reminder to dog owners - please clean up after your dogs. We have

been receiving more and more requests for "no dog fouling" signs on the pavements in the villages. Many dog owners are responsible and do clean up but the latest trend seems to be to leave the "bags" in the hedges. Dog fouling is not only a mess but a health hazard. Children and teenagers should also be reminded to clean up when they are on dog duty.

A reminder also that dogs should be kept under control at all times, particularly when in the vicinity of live stock.
